

Open Forum Manufacturing Job Losses

The Manufacturing Sector in Canada is losing jobs at an alarming rate, over 250,000 good paying jobs in 4 ½ years. Thousands of jobs have been lost in Niagara, General Motors, Dana, Affinia, Atlas Steel to mention a few, have all hemorrhaged good paying jobs. These job losses affect everyone, workers, local businesses and community services.

Concerned citizens, union members, business owners, politicians and the media are all invited to come to an **Open Forum** to discuss and debate the impact of the Manufacturing Crisis in our community.

If you would like to learn about the manufacturing Crisis or offer your opinion about this important issue, please join us.

Forums are being held **Friday May 11th** at the following locations:
